In consequence of the modification of the traffic guidance via the ring road of Norden, a navigation system probably suggests an incorrect routing. Therefore, you find here our turn-by-turn directions starting at arriving the township of Norden-Norddeich:

- \* Arriving at Norden, please take the ring road of Norden.
- \* In the first roundabout, take the second exit in the direction of Norddeich
- \* Follow the course of the road for another five kilometres as far as the second roundabout.
- \* Take again the second exit in the direction of Norddeich-Hafen.
- \* After arriving Norddeich, pass the Frisia parking area
- \* Please, take the left lane. After turning left and passing the railway crossing, you reach the Hotel Fährhaus.

Railway passengers, please, train to Norddeich Mole.  
Our hotel is only a few yards from there.  
If required, we also would be glad to pick you up at the railway station.
